

## **President of AdValue Photonics is Elected as Fellow of Optical Society of America (OSA)**

May 4, 2011

Tucson, AZ. AdValue Photonics Inc, a manufacturer of fiber lasers, announced that Dr. Shibin Jiang, President of AdValue Photonics Inc, has been elected a Fellow of The Optical Society of America (OSA). Dr. Shibin Jiang received this honor in recognition of his outstanding contributions to the optical glass sciences and technology. Dr. Jiang is internationally recognized for research and development in the areas of rare-earth doped glasses and fibers, fiber lasers and amplifiers, and glass based photonic devices. He has authored and co-authored more than 100 publications, delivered more than 25 invited talks, edited 14 proceeding books, and holds 27 issued US patents. Dr. Jiang was awarded with the prestigious Gottardi Prize in 2005 from International Commission on Glass (ICG) for his outstanding contribution to glass sciences. He served as chair, co-chair and program committee for more than 30 technical conferences. Currently he serves as Associate Editor of Journal of Lightwave Technology, Topic Editor of Applied Optics, Editorial Board of Fiber and Integrated Optics and Chinese Optics Letters. Dr. Jiang is a Fellow of International Society for Optical Engineering (2005), The America Ceramic Society (2008), and The Optical Society of America (2011).
